

**Individual Commitment Letter**

I (We), \_\_\_\_\_, pledge myself (ourselves) to actions  
First & Last Name(s)  
which are intended to be restorative toward economic and social justice, including those commitments indicated below:

\$ \_\_\_\_\_, equaling \_\_\_\_\_% of my (our) financial assets;

\$ \_\_\_\_\_, equaling \_\_\_\_\_% of the equity in my (our) home(s);

\$ \_\_\_\_\_, equaling \_\_\_\_\_% of my (our) earned income for contribution annually or cumulatively on a periodic basis as can be afforded each year;

\_\_\_\_\_ % of the value of my estate (net of the value of restorative gifts previously donated), or

a percentage of my estate’s value that is intended to be commensurate with national percentages of wealth disparity between white households and households of Indigenous and Afro-Americans at the time of its settlement.

*I (We) volunteer these commitments as a necessary movement toward right relationships, acknowledging that they are incommensurate with harms to Indigenous and Afro-American people.*
